FAQ (2022)

- **How can I participate?**

This year the HackFest is open to those who participate in the Summer Campus in the previous days. All Summer Campus participants automatically take part in the HackFest.

- **Where is the HackFest located?**

This year the HackFest is person and is at the STMicroelectronics Napoli auditorium.

- **Is an agenda of the HackFest available?**

Yes, look at the NeaPolis Innovation website. The HackFest is on Saturday 3 September from 9am to 5pm and continues Sunday 4 September from 9am to 3pm.

- **Do I need to be in a team?**

Yes, you will continue to be in the same team as the Summer Campus.

- **Will I have fun?**

Yes.

- **Is lunch available?**

On Saturday there is a full lunch at midday.

On Sunday there will be a brunch for everyone at 10am including some freshly made pizzas and local coffee.

- **How is the HackFest organized?**

There will be three collaborative challenges:

1. Get your team project running with the “latest” requirements.
2. HackFest Knowledge Challenge.
3. HackFest Mystery Challenge.

- **What is non-stop team “speed dating” in the Agenda?**

This is a sort of “speed dating” where all the other teams and the evaluation committee get to evaluate and vote on your project. The same applies for all teams.

- **Is it OK for me to visit the HackFest?**

Sorry, this year the HackFest auditorium is only for participants and invited speakers.

- **Can I follow the HackFest remotely?**
